Estimates for Postal Bid Sale Section: Estimates are generally very conservative and, in most cases, are well below normal retail prices. **Bid section estimates are EXCLUSIVE of GST. All estimates/prices are in Australian Dollars.**

Viewing: Lots will be available for viewing at our Caboolture office, most Weekdays – **It is recommended you call in advance of journeying there on 0409 473 150.**

Photocopies of small lots may be provided on request - Please forward business-sized Stamped envelope.

E-mail scans of lots are also available on request.

Your Bids: Please indicate your bids on the form provided. You may bid at, above, or below the estimates. Reserves are *generally* 80% of estimates. Lots will be sold to the highest bidder at approximately 5% above the second highest bid, however, we will generally round to the nearest 25c/50c on lots up to \$10. **Irrespective of your actual bid amounts, in instances where you are the only bidder, lots will be provided at reserves.**

Where equal bids are received, preference will be given to the earliest bid. Where the *Break Tied Bids* option has been accepted, your bid will be increased by 1 bid step if necessary to secure the lot for you.

Goods & Services Tax (GST): The current standard within the philatelic trade is that retail prices (known amounts) are *inclusive* of GST and uncertain prices (eg Postal Bid/Auction) are *exclusive* of GST. Overseas (export) sales do not attract GST.

Accordingly, **GST of 10% will be added to the total of Bid Sale lots** on Australian clients' invoices. No additional amount will be added to overseas clients' invoices. GST is absorbed by us on Direct Sale lots.

Order Limits: Clients may place bids on all items they are interested in, together with an overall spending limit (if lower than the total). We will work through your bids in order and supply as many as possible within the stated limit.

Bids may be placed as follows -

- **Mail - PO Box 132, Burpengary Q. 4505**
- **☎ 0409 473 150**
- **Fax - 07-3102 8558**
- **E-mail – burstamp@bigpond.com**

Postage on Orders: Postage is extra on all orders under \$110 (including GST). Registered Post (cost generally \$6.00) is used for all Australian orders exceeding \$40. Where successful bids (plus GST) by Australian clients exceed \$110, the consignment will be posted at no charge to the customer.

Postage (including registration, where required) on all overseas orders is charged at cost.

There is no objection to clients providing stamps to be used for return postage.

Due to current Australia Post regulations, we are obliged to use pre-paid labels/envelopes for registration charges.

Payment Options: Personal cheques (Australian only) are acceptable, subject to clearance. Cash/Money Orders are fine.

Credit card payments are welcome and provision has been made on the form for payment details. All card details are treated with utmost confidentiality and care! **Please include the necessary card authorisation on the bid form for each sale.**

End of Postal Bid Sale 141, Thank You.

APOLOGY: I sincerely apologise for the delay in releasing this sale listing.

Our recent travels resulted in a delay in preparing the sale.

On this occasion, there is an extended closure date, as it is impractical to have the sale closure whilst we are still overseas at CAPEX.

Upon finalisation of the sale, it generally takes about a week for us to process invoices and despatch lots.

NEXT SALE: Sale 142 will issue early August 2022, with a continuation of countries “M” onwards.
